City of Salisbury to Close Ellis Street (Shober) Bridge for Repairs

Salisbury_North Carolina_March 22 – The City of Salisbury Street Division will close the Ellis Street (Shober) Bridge in the 400 block of Ellis Street, beginning the week of March 25.

The bridge closure addresses needed repairs to the bridge based on findings of deterioration during the most recent inspection. An estimated time of six (6) weeks is scheduled for repair work. Work will be performed concurrently with repairs of the Fisher Street Bridge which has already been closed due to deterioration.

During the course of repairs, local traffic should seek alternate routes. Repairs to the bridge and surrounding infrastructure will be coordinated by the Street Division.

Inquiries regarding the Ellis Street (Shober) Bridge and Fisher Street Bridge repairs may be directed to Street Division Manager, Craig Powers at (704) 638-5251.

The City of Salisbury is an equal opportunity employer with over 180 different job classifications and more than 400 full time positions.
